Aug 15, 2009 Hello i'm going to try this codebreaker hack for the ps2. i would use the sony ps2 formats. Jul 19, 2016 I have no idea how to add the PS2 theme to my game since it's a PS2 disc. I've searched far and wide on the Internet and have found nothing. Perhaps I didn't find it in the right. Nov 6, 2010 i have a pcsx2 package and 2 custom icons and i loaded and run the codes. i have 2 questions will this hack help?. Some of the codes i loaded and ran. And i have 2 questions will this hack help? A: Ok i got everything to work and it was very easy. I have only the ps2 iso and the pcsx2 standart format so it was hard to do everything but finally it's all working. I used the foxy iso file linked from psxstuff and the ps2 format (the format i used first time). For those who just want to know: 1 - put the iso file in your D:\ drive (if you change your folder the ps2 file is not working) 2 - put the foxy iso in your D:\ drive (if you change your folder the ps2 file is not working) 3 - put the pcsx2 format in your D:\ drive (if you change your folder the ps
